

**CALL TO SUBMIT YOUR EXPRESSION OF INTEREST**

IES: The Lighting Society is calling for expressions of interest to attend the March 2010 Series of Enlightenment: We have just launched the very successful first Series in Melbourne, Sydney & Brisbane and there have been a number of requests to run the programme again. To tailor to the needs of the majority of new participants, we are asking for interested parties to fill in the form below and return it to the fax number or email shown.

**ABOUT THE COURSE**

The introductory lighting course is run over 3 full days or evenings. The core-learning objective is for participants to be equipped to work with the range of lighting equipment now available in both domestic and commercial environments. The phase out of incandescent lamps has removed the 'simple' options from the marketplace, requiring a greater understanding of complex lighting components. Participants who fulfill the assessment requirements will receive a Professional Development Certificate of Completion from IESANZ.

**WHO SHOULD ATTEND**

Retail Lighting Staff • Sales Representative Lighting Staff • Electrical Contractors • Facility Managers • Factory Staff • Manufacturing Staff

**SOME OF OUR PAST SATISFIED PARTICIPANTS INCLUDE**

Austube • Brisbane City Council City Business • Eagle Lighting • Eye Lighting • Gardens at Night • GHD • Inlite • IPD Industrial Products • Limelight Integration • LSI Hamilton Lighting System • NSW Dept of Services, Technology & Administration • Rudds Consulting Engineers • Spectra Lighting • Total Energy Solutions • MLight • Marksloyd Lighting Australia • NECO • Thorn Lighting • Tower Heath
